

Rules and Regulations Greater Southern MLS

Greater Southern MLS
Louisiana

First Edition: February 2021

Purpose

A Multiple Listing Service is a means by which authorized MLS Broker participants decide to cooperate with one another for the benefit of each of their respective clients by establishing legal relationships with other participants in making a blanket unilateral contractual offer of compensation and cooperation to other Broker Participants; by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses and other valuations of real property for bona fide clients and customers; by which participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information among the participants so that they may better serve their clients, customers and the public. Acceptance of the offered compensation is determined by the Buyer Broker's performance as a procuring cause of the sale or lease consistent with these Rules.

Part One: Key Definitions

Section 1 Multiple Listing Service (MLS) Defined

A multiple listing service is:

- a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and customers and the public
- a means by which authorized participants make blanket unilateral offers of compensation to other participants
- a means of enhancing cooperation among participants
- a means by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers
- a means by which participants engaging in real estate appraisal contribute to common databases

Entitlement to compensation is determined by the cooperating broker's performance as procuring cause of the sale (or lease).

While offers of compensation made by listing brokers to cooperating brokers through MLS are unconditional,* a listing broker's obligation to compensate a cooperating broker who was the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

*Compensation is unconditional except where local MLS rules permit listing brokers to reserve the right to reduce compensation offers to cooperating brokers in the event that the commission established in a listing contract is reduced by court action. Refer to Part Two, G., Section 1, Information Specifying the Compensation on Each Listing Filed with a Multiple Listing Service of an Association of REALTORS®, Handbook on Multiple Listing Policy.

Section 2 Definition of MLS Participant

A Participant is an individual who applies and is accepted by the MLS, meets and continues to meet all of the following requirements of either a Broker Participant or an Appraiser Participant as defined below.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law.

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so.

The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

2.1.1 Broker Participant. A Broker Participant is a Participant who meets all of the following requirements:

- a) The individual or corporation, for whom the individual acts as a Broker/officer, holds a valid real estate broker's license in the state or states in which the broker does business;
- b) The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal;
- c) The individual or corporation for whom the individual acts as a Broker/officer offers or accepts compensation in the capacity of a Real Estate Broker;
- d) The individual has signed a written agreement to abide by the rules of the MLS in force at that time and as from the time amended; and
- e) The individual pays all applicable MLS fees.

2.1.2 Appraiser Participant. A Appraiser Participant is a Participant who meets all of the following requirements:

- a) The individual holds a valid Appraisers certification in the state or states in which they do business, or license issued by the Bureau of Real Estate Appraisers (also referred to as “Office” of Real Estate Appraisers);
- b) The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal;
- c) The individual or corporation for whom the individual acts as a Broker/officer offers or accepts compensation in the capacity of a Real Estate Broker;
- d) The individual has signed a written agreement to abide by the rules of the MLS in force at that time and as from the time amended; and
- e) The individual pays all applicable MLS fees.

Section 3 Definitions of Various Types of Listing Agreements (Policy Statement 7.50)

Except where state law provides otherwise, the following terms shall be defined as follows when used in rules and regulations of any multiple listing service owned or operated by one or more associations of REALTORS®.

Exclusive Right-to-Sell Listing: Either a) A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker, regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else; or b) a contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else, except that the seller(s) may name one or more individuals or entities as exemptions in the listing agreement and if the property is sold to any exempted individual or entity, the seller(s) is not obligated to pay a commission to the listing broker.

Exclusive Agency Listing: A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the seller(s), the seller(s) is not obligated to pay a commission to the listing broker.

Open Listing: A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker only if the property is sold through the efforts of the listing broker.

Note: These definitions are provided to facilitate categorization of listings in MLS compilations. In any area of conflict or inconsistency, state law or regulation takes precedence. If state law permits brokers to list property, on either an exclusive or open basis, without establishing an agency relationship, listings may not be excluded from MLS compilations on the basis that the listing broker is not the seller’s agent.

Section 4 Listing Content Defined (Policy Statement 7.86)

“Listing content” includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. **M**

Section 5 Additional Definitions

Business Day – Any day other than Sunday or other day on which Greater Southern MLS is not open for business.

Exclusive Agency Listing Agreement – A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s) and the seller(s) agrees to pay a commission to the listing broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the seller(s), the seller(s) is not obligated to pay a commission to the listing broker.

User – Any Participant, subscriber, office administrator or personal assistant who are authorized by Greater Southern MLS to access and use the MLS in accordance with these rules and regulations.

Part Two: Policies

A. MLS Antitrust Compliance Policy

The purpose of multiple listing is the orderly correlation and dissemination of listing information to participants so they may better serve the buying and selling public. GSMLS shall not enact or enforce any rule which restricts, limits, or interferes with participants in their relations with each other, in their broker/client relationships, or in the conduct of their business in the following areas.

GSMLS shall not:

1. Fix, control, recommend, or suggest the commissions or fees charged for real estate brokerage services (Interpretation 14).
2. Fix, control, recommend, or suggest the cooperative compensation offered by listing brokers to potential cooperating brokers.
3. Base dues, fees, or charges on commissions, listed prices, or sales prices. Initial participation fees and charges should directly relate to the costs incurred in bringing services to new participants.
4. Modify, or attempt to modify, the terms of any listing agreement; this does not prohibit administrative corrections of property information necessary to ensure accuracy or consistency in MLS compilations.
5. Refuse to include any listing in an MLS compilation solely on the basis of the listed price.
6. Prohibit or discourage participants from taking exclusive agency listings or refusing to include any listing in an MLS compilation solely on the basis that the property is listed on an exclusive agency basis.
7. Prohibit or discourage participants from taking "office exclusive" listings; certification may be required from the seller or listing broker that the listing is being withheld from the MLS at the direction of the seller.
8. Give participants or subscribers blanket authority to deal with or negotiate with buyers or sellers exclusively represented by other participants (Interpretation 10).
9. Establish, or permit establishment of, any representational or contractual relationship between an MLS and sellers, buyers, landlords, or tenants.
10. Prohibit or discourage cooperation between participants and brokers that do not participate in the MLS.
11. Prohibit or discourage participants or subscribers from participating in political activities (Interpretation 15).

12. Interfere in or restrict participants in their relationships with their affiliated licensees (Interpretations 16 and 17).

Notwithstanding the foregoing, the above policy prohibitions are subject to and limited by applicable statutes, ordinances, and governmental regulations, to agreements entered into by an MLS or board or association of REALTORS® and an agency of government, or to final decrees of courts or administrative agencies.

This policy does not prohibit GSMLS from adopting rules or policies establishing the legitimate uses of MLS information, from prohibiting unauthorized uses of MLS information, or from establishing rules or policies necessary to prevent illegal collective action, including price-fixing and boycotts.

Listing Procedures

Section 1 Listing Procedures

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the multiple listing service, and are taken by participants on *Exclusive Right to Sell and Exclusive Agency Listing forms* shall be delivered to the multiple listing service within 2 days after all necessary signatures of seller(s) have been obtained:

- a. single family homes for sale or exchange
- b. vacant lots and acreage for sale or exchange
- c. two-family, three-family, and four-family residential buildings for sale or exchange

Note 1: The multiple listing service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

- may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants
- assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The multiple listing service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other participants of the multiple listing service acting as subagents, buyer agents, or both. *(Amended 11/96)*

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service.

The different types of listing agreements include:

- exclusive right-to-sell

- exclusive agency

The service will not accept net listings because they are illegal in Louisiana. Open listings are accepted by this service.

The exclusive right-to-sell listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations.

Note 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Section 1.0.1 Auction Listings. Only auction listings which comply with these MLS Rules and Regulations, including, but not limited to Sections X and X, may be submitted to the Service. Auction listings entered into the MLS system shall have listing contracts as required under these Rules, be clearly labeled as auction listings and provide all the terms and conditions of the auction. Research auctions are not permitted on the MLS. Auction listings shall further specify the following:

- a. The list price, which shall be the seller's minimum acceptable bid price;
- b. The date, time and place of the auction;
- c. All required procedures for Buyer's Broker to register their representation of a potential bidder;
- d. The amount of the buyer's premium, if any;
- e. The time or manner in which potential bidders may inspect the listed property;
- f. Whether or not the seller will accept a purchase offer prior to the scheduled auction; and
- g. Any other material rules or procedures for the auction.

Section 1.01 Mandatory Delivery of Listing Agreement. Listing Broker shall input into the MLS any and all properties located in the MLS Service Area within three (3) Business Days of the Effective Date of any listing agreement on any exclusive right to sell/lease or seller reserved listing agreement on one to four-unit residential property and vacant lots. The Effective Date of a listing agreement is the later of all necessary signatures of the seller(s) have been obtained, or at the beginning date of the listing as specified in the contract. Registered properties shall not be made available for viewing, compensation or cooperation in the MLS database to cooperating Participants and DOM shall not calculate on a Registered listing. All necessary signatures are those needed to create an enforceable listing, which generally means all named signatories to the listing agreement. In the event there are known additional property owners not made a signatory to the listing, the Listing Broker shall disclose said fact to the MLS and state whether the listed seller will make the sale contingent on the consent of the additional property owners. In the event the listing agent is prevented from complying with the 3-business day time period due to seller's delay in returning the signed listing agreement, the Listing Broker must deliver the listing to the MLS within 3 business days of receipt back from seller. The AOR/MLS may require the Listing Broker to present documentation to the AOR/MLS evidencing the seller's delayed transmission. Only those listings that are within the service area of the MLS must be input. Open listings or listings of property located outside the MLS's service area (see Section 1.12) are not required by the MLS but may be input at the Broker Participant's option.

Section 1.02 Mandatory Submission upon Marketing. Within one (1) business day of marketing or advertising a residential property to any member of the public for sale which contains one to four units, or is a residential vacant land lot which is subject to any listing Agreement, the Listing Broker must submit the property into the MLS for cooperation with other GSMLS participants. Marketing and advertising includes, but is not limited to, any information about the property or its availability for sale displayed on any: signs, websites, social media, brokerage or franchise operated websites, communications (verbal or written), multi-brokerage or franchise listing sharing networks, flyers or written material, on any applications, or by conducting an open house. Any individual or entity that has signed, within the previous year a Disclosure Regarding Real Estate Agency Relationship that identifies the Listing Broker shall not be considered a "member of the public" under this rule.

Section 1.03 No Cooperation Listing. If the seller in writing refuses to permit the property listing to be marketed or advertised as defined by Rule 1.01, and also instructs the Listing Broker to not disseminate the listing in the MLS, the Listing Broker shall obtain a written instruction from the seller instructing the Listing Broker to do no marketing or advertising and refuses to authorize the listing to be disseminated by the MLS. The instruction shall include an advisory to seller that, in keeping the listing off the MLS, the Owner understands and acknowledges that (a) real estate brokers and managing brokers from another real estate office who have access to the MLS, their buyer and tenant client, may not be aware that Owner's Property is offered for sale or lease; (b) information about Owner's Property will not be transmitted by Greater Southern MLS to various real estate internet sites used by the public to search for property listings; and (c) real estate brokers, managing brokers and members of the public may be unaware of the terms and conditions under which Owner is marketing the Property.

Section 1.1 Types of Properties

Following are the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types that may be filed with the service at the participant's option provided, however, that any listing submitted is entered into within the scope of the participant's licensure as a real estate broker:

Vacant land, if a photo is used, then aerial or plat must be attached; otherwise aerial or plat photo will be required as the first photo.

1.1.2 DUPLICATE FILINGS OF LISTINGS: If entered under more than one property type, one of the entries must be withdrawn when the property is sold or leased. A participant cannot enter a property more than once under the same property type. Reference needs to be made in the remarks that the property to the other property ID number and reference must be made when it is sold or removed from market.

1.1.3 CO-LISTINGS: When "co-exclusive" listings, which make it possible for the listing broker to offer cooperation and compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both, are included in the MLS compilation, each of the "co-exclusive" listing brokers must be REALTORS® or Participants in Greater Southern MLS. Co-Listings may be entered into the MLS once with each of the listing agent's names and brokerage information appearing on the listing. This will keep listing and sold statistics from being distorted.

1.1.4 Statuses. The following statuses shall apply to listings on the MLS and Listing Broker shall place a listing in the correct status:

Coming Soon: A valid listing contract exists, and no offer has been accepted. The Listing Broker is in possession of a seller signed instruction to submit the listing as "Coming Soon". Marketing and Advertising as defined in Rule 1.01 is permitted and shall include language that the property

The MLS may require the Listing Broker to provide a copy of any notice of dispute or any written instructions from the seller. Sellers do not have the unilateral right to require the MLS to cancel any listing. However, the MLS reserves the right to remove a listing from the MLS data base if the seller can document that his or her listing agreement with the Listing Broker has been terminated or is invalid. Withdrawal from the MLS with the seller's consent does not relieve the obligation of the Listing Broker to report the sale and sales price if it closes escrow while the seller is represented by the Listing Broker.

Section 1.5.1 When an agent withdraws a listing, that listing may not be re-entered by the same agent within 14 calendar days unless that agent has transferred to a new company.

In the event listings are removed from the MLS pursuant to this section, it shall be the responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS.

Section 1.16 Right of Participant to MLS Data Feed of Listing Content

Greater Southern MLS will, upon request, promptly provide an MLS Participant (or the Participant's designee) a data feed containing, at minimum, all active MLS listing content input into the MLS by or on behalf of the Participant and all of the Participant's off-market listing content available in the MLS system. The delivery charges for the Participant's listing content shall be reasonably related to the actual costs incurred by Greater Southern MLS. The data feed will be in compliance with RESO Standards as provided for in NAR's MLS Policy Statement 7.90.

Note: Greater Southern MLS will not limit the user of the Participant's listing content by the Participant or the Participant's designee.

Selling Procedures

Section 2 Showings and Negotiations

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- a. the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- b. after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers. **M**
- c. No one shall enter a listed property without authorization. All appointments for a listed property must be authorized through a designated showing service or the listing agent/broker, or as otherwise indicated in the Private Remarks of the MLS.
- d. Once a Buyer's Broker grants access to the listed property to any third party, they **MUST** remain on site while the third party they have granted access to the property is on the premises. Third parties may include, but are not limited to, clients, client's family and friends, appraisers who are not GSMLS Participants or Subscribers, inspectors, contractors, roofers, etc. This rule does not apply to the listing broker.

Section 2.1 Presentation of Offers

The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. **M**

Section 2.2 Submission of Written Offers and Counter-offers

The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. **M**

Section 2.3 Right of Cooperating Broker in Presentation of Offer

The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. **M**

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. **M**

Section 2.4 Right of Listing Broker in Presentation of Counter-offer

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. **M**

Section 2.5 Reporting Sales to the Service

Status changes, including final closing of sales and sales prices, shall be reported to the multiple listing service by the listing broker within 3 days after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 3 days after occurrence and the listing broker shall report them to the MLS within 3 days after receiving notice from the cooperating broker.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

Note 3: The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

Note 4: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. **M**

Section 2.6 Reporting Resolutions of Contingencies

The listing broker shall report to the multiple listing service within 3 days that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled.

M

Section 2.7 Advertising of Listings Filed with the Service

A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker with the exception of IDX feeds. **M**

Section 2.9 Disclosing the Existence of Offers

Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller’s approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker. **O**

Section 2.10 Availability of Listed Property

Listing brokers shall not misrepresent the availability of access to show or inspect listed property. **O**

Refusal to Sell

Section 3 Refusal to Sell

If the seller of any listed property filed with the multiple listing service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all participants. **R**

Prohibitions

Section 4 Information for Participants Only

Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker unless otherwise permitted in this set of rules and regulations. **M**

Section 4.1 For Sale Signs

Only the for sale sign of the listing broker may be placed on a property. And you only may place a for sale sign on a property with a listing agreement. **M**

Section 4.2 Sold Signs

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. **M**

Section 4.3 Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS®' Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. **M**

Section 4.4 Use of the Terms MLS and Multiple Listing Service

No MLS participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. ○

Division of Commissions

Section 5 Compensation Specified on Each Listing

If the listing broker offers compensation, then the listing broker shall specify, on each listing filed with the multiple listing service, the compensation offered to other multiple listing service participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the multiple listing service that includes a compensation amount the participant of the service is making blanket unilateral offers of compensation to the other MLS participants, and shall therefore specify with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what compensation being offered is prior to his endeavor to sell.*

*The compensation specified on listings filed with the multiple listing service shall appear in one of two forms. The essential and appropriate requirement by an association multiple listing service is that the information to be published shall clearly inform the participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. by showing a percentage of the gross selling price
2. by showing a definite dollar amount (*Amended 5/10*)

Note: MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales price defined as the gross sales price minus seller concessions (as defined by the MLS unless otherwise defined by state law or regulation). *(Adopted 5/08)*

While MLSs are not required to authorize participants to offer cooperative compensation based on net sale prices, those that do permit such offers must define "seller concessions" for purposes other than new construction, unless that term is defined by applicable state law or regulation. The following definition of "seller concessions" is suggested but not required for adoption:

Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alterations not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value. *(Adopted 05/12)*

The listing broker retains the right to determine the amount of compensation offered to other participants (acting as subagents, buyer agents, or in other agency or nonagency capacities defined by law) which may be the same or different. *(Amended 11/96)*

This shall not preclude the listing broker from offering any MLS participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Section 5.0.1: The multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The association multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Section 5.0.2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service participants for their services with respect to any listing by advance published notice to the service so that all participants will be advised.

Section 5.0.3: Listing brokers shall communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction.

Section 5.0.4: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

Section 5.0.5: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential “remarks” available only to participants and subscribers. **M**

Section 5.0.6 Disclosing Potential Short Sales

Compensation offered through the MLS to Buyer Brokers on listings which required lender approval (commonly referred to as “short sale” listings) is for the amount published therein unless the Listing Broker indicates on the MLS the following: (a) the fact that the sale and gross commission are subject to lender approval; and (b) the amount of method by which the compensation offered through the MLS will be reduced if the lender reduces the gross commission. This section does not allow an additional reduction from the commission offered for items such as a short sale negotiator fee and other administrative costs of the transaction. Any reductions from the commission offered for such items should be factored in as a reduced amount the Listing Broker initially offers to a Buyer Broker and may not be made a condition of the offer.

Section 5.1 Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants. **M**

Section 5.2 Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. **M**

Section 5.3 Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. **M**

Service Charges

Section 6 Service Fees and Charges

The user service fees are determined by the MEMBER Association.

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. **M**

Section 7.1.1: MLS participants and subscribers can receive no more than three (3) CITATIONS in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more CITATIONS for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all CITATIONS against a subscriber to the subscriber's participant and the participant is required to attend

the hearing of a subscriber who has received more than three (3) CITATIONS within a calendar year. **M**

Section 7.2 Applicability of Rules to Users and/or Subscribers

Non-principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the participant to the same or other discipline. This provision does not eliminate the participant's ultimate responsibility and accountability for all users or subscribers affiliated with the participant.

Section 8 – Option not selected

Enforcement of Rules or Disputes

Section 9 Consideration of Alleged Violations

By becoming and remaining a user, each user agrees to be subject to these rules and regulations. **M**

The MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. **M**

Section 9.1 Violation of Rules and Regulations

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered consistent with the approved Citation Policy. If a Citation is issued, there be a sanction imposed., provided the recipient of such sanction may request a Citation Review and if requested in writing may have a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS®.

For any rule not in the Citation Policy, or alleged violations involving unethical conduct shall be referred to the grievance committee of the association where you purchased the Greater Southern MLS subscription for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®.

Section 9.2 Complaints of Unethical Conduct

All other complaints of unethical conduct shall be referred by the committee to the Professional Standards Administrator of the association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the association's bylaws. **M**

Section 9.3 Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the MLS will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof that the use is authorized. Any proof submitted will be considered by the MLS and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the MLS determines that the use of the content was unauthorized, the MLS may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the MLS's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. **M**

Section 9.4 MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. **M**

Confidentiality of MLS Information

Section 10 Confidentiality of MLS Information

Any information provided by the multiple listing service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participants. **M**

Section 10.1 MLS Not Responsible for Accuracy of Information

The information published and disseminated by the service is communicated verbatim, without change by the service, as filed with the service by the participant. The service does not verify such information provided and disclaims any responsibility for its accuracy. Each participant agrees to hold the service harmless against any liability arising from any inaccuracy or inadequacy of the information such participant provides. **R**

Ownership of MLS Compilation* and Copyright

Section 11

By the act of submitting any property listing content to the MLS, the participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to the listed property. **M**

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. **M**

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.

3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Section 11.1

All right, title, and interest in all data and/or content created and copyrighted by Greater Southern MLS and in the copyrights therein, shall at all times remain vested in Greater Southern MLS. **R**

Section 11.2 Display

Each participant shall be entitled to lease from Greater Southern MLS a number of copies of each MLS compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The participant shall pay for each such copy the rental fee set by the MLS.*

Participants shall acquire only the right to use the MLS compilation in accordance with these rules. **M**

*This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Section 11.3 Transmittal of Participant's Listings to Aggregators

MLSs are not required to transmit Participants' listings to third-party aggregators or to operate a public website displaying listing information. If MLS transmits Participant's listings to third-party aggregators and/or operates a public website displaying listing information, all exclusive listings, regardless of type will be included in the data feed (unless a Participant withholds consent for such transmission), except that MLSs may exclude from such data feed any listing where both of the following conditions are present:

- a. The listed property's street address or a graphic display of the property's specific location will be displayed to the public; and
- b. The seller displays on the property a "For Sale By Owner" sign or another sign or notice indicating that the seller is soliciting direct contact from buyers.

Use of Copyrighted MLS Compilation

Section 12 Distribution

Participants shall, at all times, shall not distribute access to the MLS other than to subscribers who are affiliated with such participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an association multiple listing service where access to such information is prohibited by law. **R**

Section 12.1 Display

Participants and those persons affiliated as licensees with such participants shall be permitted to display MLS data to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in the MLS. **M**

Section 12.2 Reproduction

Participants or their affiliated licensees shall not reproduce any MLS data or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce MLS data and distribute to prospective purchasers a reasonable* number of single copies of property listing data contained in the MLS which relate to any properties in which the prospective purchasers are or may, in the judgment of the participant or their affiliated licensees, be interested.

*It is intended that the participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

Use of MLS Information

Section 13 Limitations on Use of MLS Information

Use of information from MLS compilation of current listing information, from the association's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS participant or in other public representations, may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by Greater Southern MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from Greater Southern MLS for the period (date) through (date).

Changes in Rules and Regulations

Section 14 Changes in Rules and Regulations

Amendments to the rules and regulations of the service shall be by a majority vote of the members of the Board of Directors.

Arbitration of Disputes*

Section 15 Arbitration of Disputes

By becoming and remaining a participant, each participant agrees to arbitrate disputes involving contractual issues and questions, and specific non-contractual issues and questions defined in Standard of Practice 17-4 of the Code of Ethics with MLS participants in different firms arising out of their relationships as MLS participants subject to the following qualifications.

- a. If all disputants received their Greater Southern MLS subscription through the same association of REALTORS® or have their principal place of business within the same association's territorial jurisdiction, they shall arbitrate pursuant to the procedures of that association of REALTORS®.

- b. If the disputants received their Greater Southern MLS subscription through different associations of REALTORS® or if their principal place of business is located within the territorial jurisdiction of association of the listing broker receives their Greater Southern MLS subscription.

*Only adopt Section 15 if the association's MLS is open to nonmember participants (otherwise qualified individuals who do not hold REALTOR® membership anywhere). If adopted, this section may not be modified.

Awards: The obligation to arbitrate includes the duty to either 1) pay an award to the party(ies) named in the award or 2) deposit the funds with the Professional Standards Administrator or Executive Officer to be held in an escrow or trust account maintained for this purpose. Failure to satisfy the award or deposit the funds with the association within ten (10) days may be considered a violation of the MLS rules and may subject the participant to disciplinary action at the sole discretion of the MLS. ○

Section 16

Standards of Conduct for MLS Participants*

Standard 16.1

MLS participants shall not engage in any practice or take any action inconsistent with exclusive representation or exclusive brokerage relationship agreements that other MLS participants have with clients. ○

*Only adopt the standards of conduct if the association's MLS is open to nonmember participants (otherwise qualified individuals who do not hold REALTOR® membership anywhere). Any of the standards of conduct, if adopted, may not be modified.

Standard 16.2

Signs giving notice of property for sale, rent, lease, or exchange shall not be placed on property without consent of the seller/landlord. ○

Standard 16.3

MLS participants acting as subagents or as buyer/tenant representatives or brokers shall not attempt to extend a listing broker's offer of cooperation and/or compensation to other brokers without the consent of the listing broker. ○

Standard 16.4

MLS participants shall not solicit a listing currently listed exclusively with another broker. However, if the listing broker, when asked by the MLS participant, refuses to disclose the expiration date and nature of such listing (i.e., an exclusive right-to-sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client) the MLS participant may contact the owner to secure such information and may discuss the terms upon which the MLS participant might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing. ○

Standard 16.5

MLS participants shall not solicit buyer/tenant agreements from buyers/tenants who are subject to exclusive buyer/tenant agreements. However, if asked by an MLS participant, the broker refuses to disclose the expiration date of the exclusive buyer/tenant agreement, the MLS participant may contact the buyer/tenant to secure such information and may discuss the terms upon which the MLS participant might enter into a future buyer/tenant agreement or, alternatively, may enter into a buyer/tenant agreement to become effective upon the expiration of any existing exclusive buyer/tenant agreement. ○

Standard 16.6

MLS participants shall not use information obtained from listing brokers through offers to cooperate made through multiple listing services or through other offers of cooperation to refer listing brokers' clients to other brokers or to create buyer/tenant relationships with listing brokers' clients, unless such use is authorized by listing brokers. ○

Standard 16.7

The fact that an agreement has been entered into with an MLS participant shall not preclude or inhibit any other MLS participant from entering into a similar agreement after the expiration of the prior agreement. ○

Standard 16.8

The fact that a prospect has retained an MLS participant as an exclusive representative or exclusive broker in one or more past transactions does not preclude other MLS participants from seeking such prospect's future business. ○

Standard 16.9

MLS participants are free to enter into contractual relationships or to negotiate with sellers/landlords, buyers/tenants or others who are not subject to an exclusive agreement but shall not knowingly obligate them to pay more than one commission except with their informed consent. ○

Standard 16.10

When MLS participants are contacted by the client of another MLS participant regarding the creation of an exclusive relationship to provide the same type of service, and MLS participants have not directly or indirectly initiated such discussions, they may discuss the terms upon which they might enter into a future agreement or, alternatively, may enter into an agreement which becomes effective upon expiration of any existing exclusive agreement. ○

Standard 16.11

In cooperative transactions, MLS participants shall compensate cooperating MLS participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other MLS participants without the prior express knowledge and consent of the cooperating broker. ○

Standard 16.12

MLS participants are not precluded from making general announcements to prospects describing their services and the terms of their availability even though some recipients may have entered into agency agreements or other exclusive relationships with another MLS participant. A general telephone canvass, general mailing, or distribution addressed to all prospects in a given geographical area or in a given profession, business, club, or organization, or other classification or group is deemed general for purposes of this rule.

The following types of solicitations are prohibited:

Telephone or personal solicitations of property owners who have been identified by a real estate sign, multiple listing compilation, or other information service as having exclusively listed their property with another MLS participant; and mail or other forms of written solicitations of prospects whose properties are exclusively listed with another MLS participant when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilations of current listings, for sale or for rent signs, or other sources of information intended to foster cooperation with MLS participants. ○

Standard 16.13

MLS participants, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service. ○

Standard 16.14

MLS participants, acting as buyers or tenants representatives or brokers, shall disclose that relationship to the seller/landlord's representative or broker at first contact and shall provide written confirmation of that disclosure to the seller/landlord's representative or broker not later than execution of a purchase agreement or lease. ○

Standard 16.15

On unlisted property, MLS participants acting as buyer/tenant representatives or brokers shall disclose that relationship to the seller/landlord at first contact for that buyer/tenant and shall provide written confirmation of such disclosure to the seller/landlord not later than execution of any purchase or lease agreement.

MLS participants shall make any request for anticipated compensation from the seller/landlord at first contact. ○

Standard 16.16

MLS participants, acting as representatives or brokers of sellers/landlords or as subagents of listing brokers, shall disclose that relationship to buyers/tenants as soon as practicable, and shall provide written confirmation of such disclosure to buyers/tenants not later than execution of any purchase or lease agreement. ○

Standard 16.17

MLS participants are not precluded from contacting the client of another broker for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g., property management as opposed to brokerage) or from offering the same type of service for property not subject to other brokers' exclusive agreements. However, information received through a multiple listing service or any other offer of cooperation may not be used to target clients of other MLS participants to whom such offers to provide services may be made. ○

Standard 16.19

All dealings concerning property exclusively listed or with buyer/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker, and not with the client, except with the consent of the client's representative or broker or except where such dealings are initiated by the client.

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, MLS participants shall ask prospects whether they are a party to any exclusive representation agreement. MLS participants shall not knowingly provide substantive services concerning a prospective transaction to prospects who are parties to exclusive representation agreements, except with the consent of the prospects' exclusive representatives or at the direction of prospects. ○

Standard 16.20

Participants, users, and subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual agreements between the client and that firm. This does not preclude participants from establishing agreements with their associated licensees governing assignability of exclusive agreements. ○

Standard 16.21

These rules are not intended to prohibit ethical, albeit aggressive or innovative business practices, and do not prohibit disagreements with other MLS participants involving commission, fees, compensation, or other forms of payment or expenses. ○

Standard 16.22

MLS participants shall not knowingly or recklessly make false or misleading statements about other real estate professionals, their businesses, or their business practices. ○

Standard 16.23

MLS participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner.

Websites of licensees affiliated with a participant's firm shall disclose the firm's name and the licensee's state(s) of licensure in a reasonable and readily apparent manner. ○

Standard 16.24

MLS participants shall present a true picture in their advertising and representations to the public, including Internet content, images, and the URLs and domain names they use, and participants may not:

- a. engage in deceptive or unauthorized framing of real estate brokerage websites;
- b. manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result;
- c. deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic;
- d. present content developed by others without either attribution or without permission; or
- e. otherwise mislead consumers, including use of misleading images. ○

Standard 16.25

The services which MLS participants provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, land brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth. ○

Orientation

Section 17 Orientation

Any applicant for MLS participation and any licensee (including licensed or certified appraisers) affiliated with an MLS participant who has access to and use of MLS-generated information shall complete an orientation program consistent with MLS Policy.

Internet Data Exchange (IDX)

Section 18 IDX Defined

IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing. M

Section 18.1 Authorization

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants.*

*Even where participants have given blanket authority for other participants to display their listings through IDX, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution. (Amended 05/17)

Section 18.2 Participation

Participation in IDX is available to all MLS participants who are users and who consent to display of their listings by other participants.

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. **M**

Section 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. **M**

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. **M**

Section 18.2.4

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed through IDX must be independently made by each participant. **M**

Section 18.2.5

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 15 minutes. **M**

Section 18.2.6

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. **M**

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. **M**

Section 18.2.8

Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 18.2.9, a participant's IDX display may communicate the participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. **M**

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. **M**

Section 18.2.10

An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. **M**

Section 18.2.11

Participants shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. **M**

Section 18.2.12

All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.* **M**

Section 18.3 Display

Display of listing information pursuant to IDX is subject to the following rules:

Note: All of the following rules are optional but, if adopted, cannot be modified. Select those rules which apply to your IDX program and number the sections accordingly.

Section 18.3.1

Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., showing instructions, property security information, etc.) may not be displayed.

Section 18.3.7

All listings displayed pursuant to IDX shall show the MLS as the source of the information. *

Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers’ personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability.*

*Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.

Section 18.3.9

The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than five hundred (500) listings or fifty percent (50%) of the listings available for IDX display, whichever is fewer.

Section 19

Virtual Office Websites (VOWs)

Note: Adoption of Sections 19.1 through 19.14 is mandatory.

Section 19.1 VOW Defined

- a. A “Virtual Office Website” (VOW) is a participant’s Internet website, or a feature of a participant’s website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant’s oversight, supervision, and accountability. **M**

- b. As used in Section 19 of these rules, the term “participant” includes a participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “participant’s consent” and “participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a participant. **M**
- c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW. **M**
- d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information, pending and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants. **M**

Section 19.2

- a. The right of a participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. **M**
- b. Subject to the provisions of the VOW policy and these rules, a participant’s VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX). **M**
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant’s VOW. **M**

Section 19.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.

- iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password. **M**
- b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. **M**
- c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. **M**
- d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
 - ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database **M**
- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. **M**
- f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant. **M**

Section 19.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW.

M

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. **M**

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- a. A participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet. **M**
- b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision. **M**

Seller Opt-out Form

1. Check one.
 - a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
 - b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.
2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater. **M**

Section 19.7

- a. Subject to Subsection b., below, a participant's VOW may allow third-parties:
- i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing. **M**
- b. Notwithstanding the foregoing, at the request of a seller, the participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. Subject to the foregoing and to Section 19.8, a participant's VOW may communicate the participant's professional judgment concerning any listing. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller. **M**

Section 19.8

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. The participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment. **M**

Section 19.9

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) days. **M**

Section 19.10

Except as provided in these rules, in the NATIONAL ASSOCIATION OF REALTORS®' VOW policy, or in any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS listing information to any person or entity. **M**

Section 19.11

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used. **M**

Section 19.12

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a REALTOR®. **M**

Section 19.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies. **M**

Section 19.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant. **M**

Note: Adoption of Sections 19.15 through 19.19 is at the discretion of the MLS. However, if any of the following sections are adopted, an equivalent requirement must be imposed on participants' use of MLS listing information in providing brokerage service through all other delivery mechanisms.

Section 19.15

A participant's VOW may not make available for search by or display to Registrants any of the following information:

- a. the seller's and occupant's name(s), phone number(s), or e-mail address(es)
- b. instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property

Section 19.16

A participant shall not change the content of any MLS listing information that is displayed on a VOW from the content as it is provided in the MLS. The participant may, however, augment MLS listing information with additional information not otherwise prohibited by these rules or by other applicable MLS rules or policies, as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS listing information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields. **O**

Section 19.17

A participant shall cause to be placed on his or her VOW a notice indicating that the MLS listing information displayed on the VOW is deemed reliable, but is not guaranteed accurate by the MLS. A participant's VOW may include other appropriate disclaimers necessary to protect the participant and/or the MLS from liability. **O**

Section 19.18

A participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm. **O**

Section 19.19

A participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry. **O**

Section 19.20

A participant shall require that Registrants' passwords be reconfirmed or changed every 90 days. ○

Section 19.21

A participant may display advertising and the identification of other entities ("co-branding") on any VOW the participant operates or that is operated on his or her behalf. However, a participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will be presumed not to be deceptive or misleading if the participant's logo and contact information (or that of at least one participant, in the case of a VOW established and operated on behalf of more than one participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. ○

Section 19.22

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing. ○

Section 19.23

Option not selected.

Section 19.24

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS. ○

Section 19.25

Where a seller affirmatively directs his or her listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within forty-eight (48) hours. ○
